Work Location: **Laundry Room**

Job

Details

Job 1 - Replace drywall on ceiling in laundry room

Replace approximately 4 sheets of drywall
tape joints, finish joints, smooth over ceiling with joint compound
to ensure uniform finish

Smooth entire area to match the rest of ceiling

Prime affected areas

*****Paint this repaired ceiling area - In order to just paint the affected area and
blend paint patch in as best as possible, I can use available paint provided
from the association or I will use Behr white ceiling paint**

Materials used - plastic drop, tape, drywall screws, joint compound,
joint tape, paint, primer, texture, brush, roller, etc

Job Quote Total (Includes labor and materials)

\$875.00
